Vaniyambadi, Tamil Nadu, India

SUMMARY

2nd-year BCA student at VIT Vellore (CGPA 9.09) with hands-on experience in building real-world applications and working with modern technologies. Strong problem-solving ability and a quick learner. Currently seeking internship to gain practical industry exposure and contribute effectively to a team.

EDUCATION

Vellore Institute of Technology (VIT) <i>Bachelor of Computer Applications (AI & ML)</i> – CGPA: 9.09	Vellore, Tamil Nadu <i>Jul 2024 – Jul 2027</i>
Islamiah Boys Higher Secondary School (IBHSS) <i>Matriculation & Higher Secondary (Mathematics & Computer Science)</i> – 12th Grade: 85.5% – 10th Grade: 79.4%	Vaniyambadi, Tamil Nadu <i>Jun 2022 – Mar 2024</i>

TECHNICAL SKILLS

Programming Languages: Python, Java, C++, JavaScript, PHP
Web Technologies: HTML5, CSS3
Frameworks & Libraries: React.js, Flask
Databases: MySQL (SQL), MongoDB
Tools: VS Code, Git, GitHub, Linux, Postman
AI Tools: ChatGPT, Claude, Gemini

PROJECTS

AI-Based Smart Emergency Evacuation System — Website <i>Python Flask — ESP32 — MySQL — JavaScript — Twilio</i> – Built a smart evacuation system that generates hazard-aware safe routes to the nearest exit using Flask APIs and graph-based pathfinding – Developed an interactive JavaScript building map for emergency selection, live sensor status, and evacuation path visualization – Integrated ESP32 WiFi module to trigger real-time LED and buzzer alerts from backend emergency status – Implemented MySQL-backed user management, evacuation logging, and Twilio SMS alerts with route details – Prepared and submitted patent documentation for the smart evacuation architecture	4th Semester
Online Voting System (Java Course Project) — GitHub <i>Java — JDBC — MySQL</i> – Built a Java desktop application with role-based Admin and Voter login using MySQL authentication – Implemented voter registration with duplicate email validation, vote casting, and one-vote-per-voter restriction – Developed an Admin Dashboard to add, update, delete, and view candidates with live vote-count tracking – Integrated MySQL through JDBC using prepared statements for registration, login, voting, candidate management, and result display	3rd Semester

ACHIEVEMENTS

Achieved a CGPA of **9.09/10** at VIT Vellore, demonstrating consistent academic excellence
Participated in multiple hackathons, developing AI-based and full-stack solutions in team environments

ADDITIONAL INFORMATION

Currently Learning: Advanced Web Development (React, Backend Integration)
Core Strengths: Object-Oriented Programming, Problem Solving
Soft Skills: Communication, Teamwork, Adaptability
Extracurricular: Video Editing (Short-form Content Creation)
Languages: English, Hindi, Tamil, Urdu
